SUBJECT: Approval and Issuance of OGR QIP's 3.0, 3.1, 3.2, 4.0, 5.0, 6.0, and 7.0

TO: Steve Kale, RW-20

Attached for your review and approval is the Change Control Board Directive which provides for the following baseline changes to the OGR QA Plan-OGR/B-3.

QIP 3.0	Design Reviews, Revision 0
QIP 3.1	Peer Reviews, Revision 1
QIP 3.2	Technical Reviews, Revision 0
QIP 4.0	Procurement Document Control, Revision 0
QIP 5.0	Preparation and Control of OGR QA Implementing Procedures, Revision 2
QIP 6.0	Document Control, Revision 2
QIP 7.0	Control of Purchased Items and Services, Revision 0

The purpose of these procedures is to provide implementing instructions for activities performed by HQ-OGR personnel in accordance with the OGR QA Plan. These procedures have been through two (2) review cycles at HQ-OGR and Weston. Comments from reviewers have been addressed and incorporated, if appropriate. After these procedures have approved and issued, indoctrination and training of HQ-OGR personnel can be performed to assist in the implementation.

Ralph Stein and I recommend issuance of these procedures. If these drafts meet with your approval, it is requested that you sign the Quality Implementing Procedures and the attached Change Control Board Directive and return to Karl Sommer, RW-24. Since these procedures only affect activities performed by HQ-OGR, it is recommended that review and approval of the entire Change Control Board not be required.
