Att: Mr. P. T. Kuo

5 December 2003

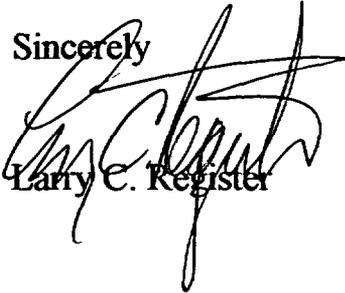

Dear Mr. Kuo:

In the 1960's, I endorsed the application filed on behalf of the Plant Farley. My feeling was that the facility would be operated in a safe and manner. That was close to forty years ago. I still feel the same way and endorse the renewal of the application filed by Southern Nuclear Operating Company, a Southern Company subsidiary.

My daughter, her husband, and my grandchild live in the nearby community of Columbia. If I had any doubt about the safety of the facility, I wouldn't be writing this letter.

Plant Farley has had a tremendous economic impact on our community. The hundreds of employees and their families live throughout the area. They are involved in a positive way in all areas of community life.

Sincerely

Larry C. Register
