NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

December 21, 1981

MEMORANDUM FOR: Chairman Palladino
Commissioner Gilinsky
Commissioner Bradford
Commissioner Ahearne
Commissioner Roberts

FROM: Forrest J. Remick *[Signature]*

SUBJECT: WASTE CONFIDENCE PROCEEDING: BRIEFING MATERIALS

The enclosed has been prepared in response to the Chairman's November 25, 1981, request for key materials that will be useful to the Commission in preparing for the oral presentations to the Commission on the Waste Confidence Rulemaking.

We have assembled three groups of documents:

- Key documents relating to procedural matters including relevant prior Commission issuances, court decisions and Commission memoranda and orders issued in the rulemaking proceeding.
- Documents relating to the substance of the proceeding.
- Material filed to date by the participants in response to the Commission's second preliminary memorandum and order of November 6, 1981. (To be supplied as participants' responses are received.)

A table of contents is provided as the first item in the briefing materials collection.
