Washington, D.C. 20006-3919

Dear Mr. Lochbaum:

Thank you for your letter dated December 17, 2003, regarding your organization's desire to provide input to the task force I recently commissioned to evaluate our sensitive unclassified materials management processes. Your letter mentioned several issues that are also of interest to the Nuclear Regulatory Commission in considering this topic.

I agree that a public meeting will enable the task force to learn more about issues of concern to external stakeholders and will help inform the decision making process. I have asked the task force to conduct such a meeting in the near future. Ms. Lynn Scattolini of our Office of the Chief Information Officer is heading up this task force and will be in contact with you regarding the meeting. If you have any questions, she may be reached at (301) 415-8729.

Sincerely,

/RA/
