MEMORANDUM FOR: Shirley Fortuna  
Systems Engineering and Evaluate Branch

FROM: Jerome Pearing  
Technical Review Branch

SUBJECT: CHANGE PAGES FOR EBS OPS PLAN.

The modified pages for the EBS Ops Plan as presented in the attachments to the April 28, 1988 letter from the Center to Ms. Mary Mace, subject as above, have been reviewed and found to contain the essence of the mandatory changes requested by your memo to Ms. Mace dated April 14, 1988 and are therefore considered acceptable. Any further appropriate revisions can be addressed during the next scheduled Ops Plan up-date and revision cycle.
