MANDATORY CHANGES

This memorandum confirms our conversation of April 11, 1988. The subject mandatory changes which you have requested have been informally sent to the Center to determine their potential impact on Center activities. They have also been reviewed by Joseph Bunting and myself. A number of questions have resulted from these reviews which require resolution. As agreed, we will meet on April 12 at 9:00 a.m. to resolve these issues.

If you have any questions, please contact me on X20427.
