Dear Mr. Funches:

Pursuant to Section F.1.5 of the above referenced contract, enclosed herewith is the text portion of our "Program Manager's Periodic Report (PMPR)," which reflects the activities of the Center from September 30, 1989, through October 27, 1989. Also enclosed is a diskette containing the text of the report in standard ASCII format.

No problems were identified in Section 1.3 of this period.

Please note that the estimated period figures and fiscal year cumulative costs are those from the draft FY90-91 Spending Plans for those elements in the High Level Waste category. The corresponding figures for the Transportation Risk Study and the Research category are illustrative of those listed in the current FY90-91 Spending Plans for those Projects. The Proprietary Cost of the PMPR portion was transmitted under separate cover.

Very truly yours,

John E. Latz
