(Proprietary Cost Data)

Dear Mr. Funches:

Pursuant to Section F.1.5 of the above referenced contract, enclosed herewith is the Proprietary Cost portion of our "Program Manager's Periodic Report," which reflects the activities of the Center from September 30, 1989, through October 27, 1989 (Attachment A).

This portion is separated by number in accordance with the Center Work Breakdown Structure (Attachment B). This "Project Status Report" shows only those costs incurred against the work breakdown structure numbers stated in this report.

Separately, you will find the report (old element/subelement/project numbers) for all non-labor cost expended during the initial period of fiscal year 1990 (Attachment C). These costs are reflective of those amounts that have been incurred in fiscal year 1989 but paid this fiscal year.

The text portion was transmitted under separate cover.

Very truly yours,

John E. Latz
