RE: Request To Be Notified Of And Invited To Observe Any Meetings Between NRC And
DOE Regarding NRC Comments To The Draft EIS For The Yucca Mountain Project

Dear Ms. Abrahms:

I am writing on behalf of Lincoln and White Pine counties to request that I be notified of and invited to observe any meetings between NRC and DOE regarding NRC comments to the Draft EIS for the Yucca Mountain Project. In its February 22, 2000 comment letter to DOE, NRC indicates its availability to meet with DOE staff to discuss Commission comments and recommendations regarding the DEIS.

Your consideration of this request is appreciated.

Mike L. Baughman, Ph.D.
President
