RE: INACTIVATION OF REGISTRATION CERTIFICATES NR-0220-D-121-S,  
NR-0220-D-122-S, NR-0220-S-123-S, AND NR-0220-S-124-S

Dear Mr. Charette:

This letter is in reference to your letters dated July 2, 2003, and August 25, 2003, requesting to transfer the registration certificates NR-0220-D-121-S, NR-0220-D-122-S, NR-0220-S-123-S, and NR-0220-S-124-S, to inactive status.

In reviewing our files for completeness, in regard to these certificates, we were unable to locate three letters used as a basis for issuing the certificates. We request that you search your files and forward to us copies of these letters so that our files will be complete in the event that any future questions should arise.

The letters and any enclosures that we request copies of and the certificates that they are associated with are:

1. Letter dated June 18, 2001, associated with NR-0220-S-124-S (Model 212)
2. Letter dated November 2, 2001, associated with NR-0220-S-124-S (Model 212)
3. Letter dated November 5, 2001, associated with NR-0220-S-124-S (Model 212) and NR-0220-D-121-S (Models 12it and 12i)

In addition, we are requesting the address for Varian Medical Systems. Since they will be providing servicing on your former products, we would like to add a note to the inactivated certificates to that effect which includes their contact information.

If you have any questions, please contact me at (301) 415-6140, or Mr. John Jankovich at (301) 415-7904.

Sincerely,

Anthony S. Kirkwood, Health Physicist
