- Attached FYI is map showing locations of NRG-2 & NRG-8 holes, Tranche NRT-1 & NRT-2 west of Esile Hill.
- Keep this on file awhile. I've not seen this map in any documents yet.
- Source: informal memo from N. Bigger to SOC members dated Nov 1, 93. Therefore, OK to put in PDR if you wish (but, I'll also have it in my report for Nov).
- Also I have on file: BH prognosis for UZ-7A; Prelim. Daily Field BH Log NRG-7/7A; Composite BH Log NRG-2B; BH Log UZ-14 runs 202 to 229.
