TEMPLATE - ADM001

ADM002

The purpose of this modification is to revise article V. DURATION OF AGREEMENT, by extending the agreement for ninety (90) days.

Accordingly, the Interagency Agreement (IA) is revised as follows:

In accordance article V. entitled "DURATION OF AGREEMENT," the NRC and NIH hereby revise the agreement period. Therefore, article V. DURATION OF AGREEMENT, is deleted entirely and the following is substituted in-lieu thereof:

"V. DURATION OF AGREEMENT:

This agreement will be effective on October 1, 2001 and continue through March 1, 2003. This agreement may be extended to continue these services during subsequent fiscal years by mutual agreement. The process for any extension will be by NRC initiating a written request for NIH to accept a modification of this agreement to include coverage for the extension period, and NIH accepting the modification. In the event either agency intends to terminate this agreement, that agency will notify the other agency at least 60-days prior to the intended date of the termination."

The total estimated amount of this agreement (ceiling) for the products/services ordered, delivered, and accepted under this agreement is \$131,000.

A summary of obligations under this agreement, from date of award through this modification, is given below:

Total FY 02 obligations	\$ 80,000
Total FY 03 obligations	\$ 37,000
Total FY 04 obligations	\$ 14,000
 Cumulative Total of NRC Obligations	 \$131,000

This modification obligates \$14,000 in FY'04 funds.

All other terms and conditions remain unchanged except the ceiling amount which increases to \$131,000.
