Dear Mr. Linehan:

Enclosed is the proposed agenda for the DOE/NRC meeting scheduled for October 29, 1985, on DOE's strategy for presentation of test plans, analyses, and studies in Section 8.3 of the Site Characterization Plans. The objectives of the meeting are to reach agreement on the appropriate level of detail for studies in 8.3 and to agree on the application of the performance allocation process to the test program in 8.3.

Materials are currently being prepared to support that meeting and will be forwarded to you within two weeks. If you have any questions, please contact Carol Hanlon of my staff at 252-1224.
