RE: Operating Nuclear Power Reactors Request

To whom it may concern:

Through the Freedom of Information Act, I am requesting a listing of Operating Nuclear Power Reactors for the entire United States.

I would like the listing on disk, cd or by email in Excel, Access, Ascii, Dbase or text formats.

Information I would like is:

Reactor name
Location address
Location city
Location county
Location zip code
Location state
Operating license issue date
Operating license expiration date
Electrical output
Reactor vendor/type
Containment type
Enforcement action number
Enforcement action type
Enforcement action date issued
Enforcement description
Enforcement compliance date

I guarantee payment of cost up to \$200.00, if the cost will exceed that amount, please let me know.

Thank you for your assistance.

Sincerely,

Connie Marini
