WM-1

1. What is the estimated length of the SCP?
2. What is the date for issuance of the SCP?
3. Will draft chapters and sections of the SCP be available for preview by NRC, State, and Indian Tribes prior to issuance of the SCP? If so, when will the individual chapters be distributed?
4. When and how will the NRC, States, and Indian Tribes be involved in the development of the SCP?
5. Will the SCP provide a complete rationale for the SCP program?

activities will descriptions and procedures be provided.

7. To what extent will references be used in lieu of a detailed presentation in the SCP? Will these references be available at the time the SCP is issued?

8. Will the DOE use a consistent set of terms for all SCPs? If so, will a glossary be provided in the SCP?

~~9. What approach will be used in the SCP to prioritize investigations?~~

10. To what level will performance allocation be provided in the SCP? Will goals and indications of confidence be provided for individual test parameters? Will performance goals be provided for individual investigations?

11. When and where will the descriptions of individual tests be available for review?

12. Will the rationale be provided for the parameter goals/performance goals?

13. Will the SCP list tests?

~~14. Will the issue hierarchies correlate with the ISTPs?~~

ARE WE HAVING FUN YET?

15. Will the level of detail presented in Chapter 8 of the SCP meet the requirements of DOE's Annotated Outline?

16. Will the level of detail presented in Part A (Chapters 1-7) of the SCP meet the requirements of DOE's AO?
