DRAFT

A DOE/NRC meeting is scheduled for April 15 and 16 to discuss the level of detail in the SCP. The NRC, DOE, States, Indian Tribes, and interested public participants met on October 29-30, 1985, to discuss the content, requirements, and level of detail to be provided in the characterization plans in Section 8.3 of the SCP. Since the meeting, the DOE has refined its approach to the level of detail in the SCP. The purpose of the upcoming meeting is to present and solicit comments on the DOE's approach from the NRC, the States, Indian Tribes, and other interested parties. The meeting location is Room 1 E 245 in the Forrestal Building, 1000 Independence Avenue, Washington, D.C. from 8:45 AM to 5:00 PM.
