My name is Donald Dieker  
56 Holiday Drive  
Clinton, IL 61727

My family and I are long-term residents of Clinton. I have been unemployed for nearly three years.

We fully support the process to locate a second unit at Clinton.

I would like to note, regarding environmental issues, that it is recognized that the better the economy in a area, the more care is given to the environment. The addition of a second unit at Clinton will provide short-term and long term support to the local economy.
