SUBJECT: Commitment to Provide RFP for Prototypical Rod Consolidation
Project

TO: William D. Lilley

In accordance with our commitment at a meeting on December 19, 1985 in Silver Spring, Md, attached is a copy of RFP No. DE-RP07-86ID12618 for Prototypical Spent Nuclear Fuel Rod Consolidation Equipment and Amendment No. 1 to that RFP.

The Proposal Conference for the Prototypical Rod Consolidation Project was held in Idaho Falls on February 13, 1986. A list of attendees is presented within Amendment No. 1. Amendment No. 1 also includes conference presentation viewgraphs and questions and answers resulting from the conference.

Bids were due in Idaho by March 13 and awards for Phase I, "Preliminary Design," are anticipated on or about May 13, 1986. If you have any questions regarding the attachment, please call me at 202-252-5003.

Owen O. Thompson
Licensing and Regulatory Division

Attachment: Request for Proposal No. DE-RP07-86ID12618,
Prototypical Spent Fuel Rod Consolidation
Equipment, dated January 13, 1986.
