Dear Mr. Stein:

Attached is a copy of "Experiments, Conceptual Design, Preliminary Cost Estimates and Schedules for an Underground Research Facility" prepared by Lawrence Berkeley Laboratory for NRC. This report and Golder Associates draft report on in situ testing, provided earlier this month, should help focus our technical discussions during the scheduled April 22, 1982 meeting.

If you have any questions on these two reports, in advance of our meeting, please call me at (301) 427-4177.

Sincerely,
