C. REEVES

SUBJECT: June 17-19, 1986, Meeting of the OGR Institutional/
Coordination Group
TO: DistributionSocioeconomic *Sent to Lilley*

Attached is the reference package for the June 17-19 meeting of the OGR Institutional/Socioeconomic Coordination Group (ISCG) in St. Louis, Missouri. The reference package is arranged in six sections:

- Behind the cover page is the agenda for this meeting.
- TAB A contains the action items and minutes from the February 4-5, 1986, Plenary Session in Dallas.
- TAB B contains materials related to the Financial Assistance Committee's agenda items. These materials are: draft OGR Financial Assistance Guidelines, a draft paper on local government eligibility, a draft paper on phase-down/phase-out funding, a description of viewgraphs on financial flexibility, and a description of revisions to the draft Recipients' Manual.
- TAB C contains materials related to the Socioeconomics Committee's agenda items. These materials are: draft monitoring and mitigation guidance including an annotated Table of Contents and a draft background paper on funding for mitigating site characterization impacts.
- TAB D contains materials related to the Outreach and Participation Committee's agenda items. These materials are: a DOE-OCRWM organization chart, transmittal memorandum and the OGR Guidelines for Intergovernmental and Public Participation Activities, a draft paper on facility-specific outreach and participation plans, and excerpts from the Mission Plan and relevant guidelines that relate to facility-specific outreach and participation plans.
- TAB E contains materials related to the Plenary Session agenda items. These materials are: background descriptions of socioeconomic/institutional DOE and contractor staff, the ISCG roster, a memorandum on OGR desk officer assignments, a list of contacts for the first repository States and Indian Tribes, draft Consultation and Cooperation (C&C) Guidelines, a draft paper on suggested changes to the draft Consultation and Cooperation Guidelines, a draft paper that compares the Waste Isolation Pilot Plant Project and the Nuclear Waste Policy Act Program, and an overview of transportation issues.
