Subject: FIRE PROTECTON WORKING ISSUES

Bill,

We had a debrief last Wed. The following is a list of working issues (most issues are not final and several may be minor). We won't have a real exit until we get a better handle on some of these. Ray and Rebecca are HAWKS and did a great job.

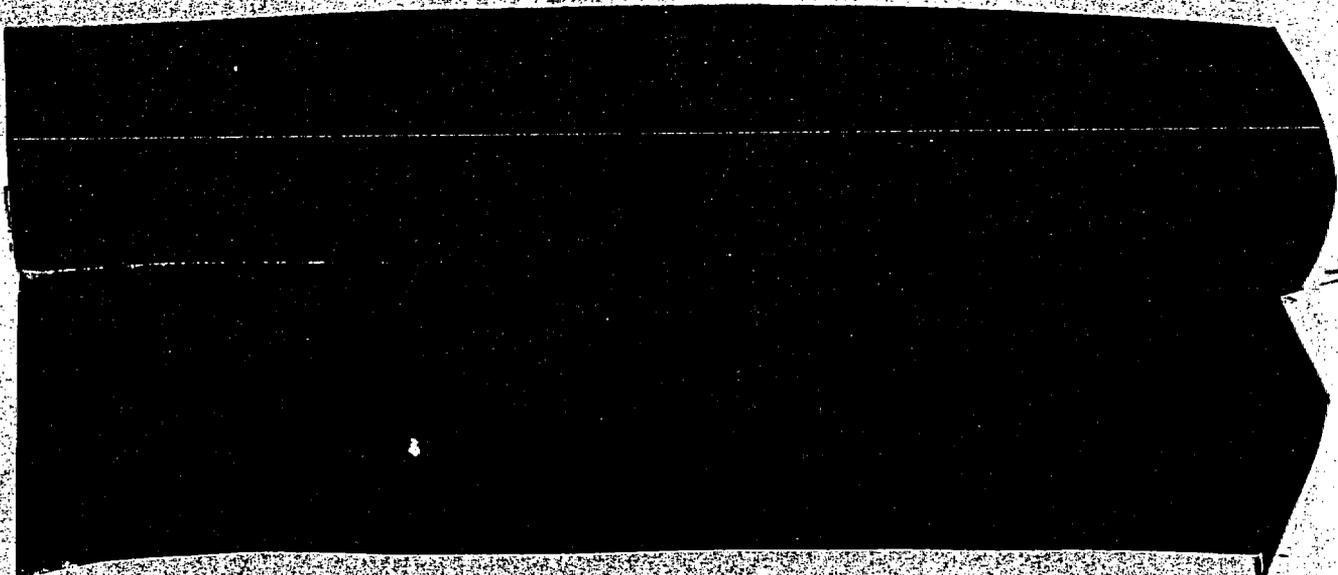

Ray, I normally provide my BC a list of issues after DRS exits. I'm just doing my normal thing as a resident. This is a little different, since I was also on the team. I won't send this list to your management. Please let me know if I missed something.

Here's the list.

As you can see, we're still in the middle of shaking out the list. If you have any questions please give Ray, Rebecca or myself a call.

George
