License Number NPF-58Subject: Completion of Compensatory Measures Related to Access Authorization for
NRC Order EA-02-261

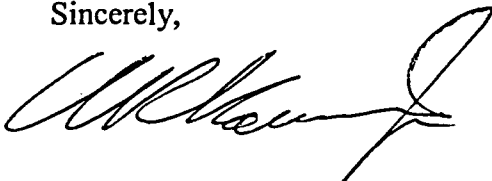

On January 24, 2003, the FirstEnergy Nuclear Operating Company (FENOC) submitted a response (Perry Letter PY-CEI/NRR-2686L) to the NRC Order (EA-02-261) issued on January 7, 2003, for Compensatory Measures Related to Access Authorization for the Perry Nuclear Power Plant (PNPP). A supplemental response to address actions taken in response to the order was provided on July 7, 2003 (Perry Letter PY-CEI/NRR-2717L).

This letter provides notification that actions taken by the PNPP to achieve full compliance with the requirements of Attachment 2 of the Order, as described in the PNPP submittals identified above, have been completed.

There are no new regulatory commitments contained in this letter. If there are any questions concerning this matter, please contact Mr. Vernon Higaki, Manager-Regulatory Affairs, at 440-280-5294.

I declare under penalty of perjury that the foregoing is true and correct. Executed on
January 16, 2004.

Sincerely,

cc: NRC Region III Administrator
NRC Senior Resident Inspector - PNPP
NRR Project Manager - PNPP
