We have reviewed the draft IMPEP report summarizing the findings of your visit to our office on November 17-18, 2004. The report is accurate and reflects the conclusions and recommendations as presented at the closing conference.

Attached is an updated RI Radiation Control Hierarchy chart.

Also, with respect to the remaining overdue core licensee, we have scheduled the inspection of Roger Williams General Hospital for January 22, 2004.

Thank you,  
Marie Stoeckel, Chief  
Office of Occupational and Radiological Health
