NOTES/COMMENTS:

Mr. Carrico:

Enclosed please find the corrected Nevada Radioactive Material License. The only difference between this corrected license and the original is that the corrected license properly reflects the number of sealed sources that Unertl may possess.

PLEASE fax to this office a copy of the NRC license once that is completed. The fax number is (626) 335-4740.

Thank you for your time and courtesy in this matter. I look forward to hearing from you shortly.
