Subject: Withholding Sensitive Homeland Security Information

Attached is a draft memorandum to the Commission which responds to an SRM dated January 25, 2002 on this subject. Staff representing various offices directly impacted by this topic have participated in a working group which helped to develop the response and the revised guidance. We anticipate keeping the working group intact for a few months longer to assist in clarifying this guidance to other members of your staff who handle certain types of information. Because of the Commission's strong interest in this topic, please notify me by March 20 if you have any problems with the memo.

Thanks,

Mindy Landau
