Subject: "White Paper" on the release of classified information to licensees

Don,

After we chatted last week in the Health Unit about your concerns regarding release of third agency classified information, I met with Tom Martin and Lynn Silvious. I had some changes that I wanted made to the document which were incorporated. In addition, Tom Martin made changes to accommodate concerns raised by Debbie Engel in an earlier draft.

The attached is the result of those changes. We have just received and "ET Action Item" (attached) which requests our response by 11/23/01 (although it says safeguards information, I think it means classified information). I understand that Debbie is out of the office.

Could you take a look at this latest iteration and see if you can concur in our sending it forward to the ET by Friday? If you cannot do it that quick, let me know so I can try to get some relief on their deadline. Thanks.
