Dear Mr. Linehan

A copy of EEG's "Review of the Draft Supplement Environmental Impact Statement, DOE Waste Isolation Pilot Plant, April 1989," EEG-41, July 1989, is enclosed for your information and use.

As you may note, EEG has a number of concerns on the draft document that need to be fully addressed before the Final Supplement Environmental Impact Statement on WIPP is published. Our principal concerns are shown in the Summary.

Sincerely,

Robert H. Neill
Director
