Amelda J. Arnold, Mayor
City of Port Gibson
155 Johnston St.
P.O. Box 11706
Rock Hill, SC 29731

SUBJECT: LETTER OF APPRECIATION

Dear Mayor Arnold:

On behalf of the NRC, I wanted to take a few moments to express our sincere appreciation for your assistance in supporting the recent public meeting on System Energy Resources, Inc.'s application for an early site permit for the Grand Gulf site. Your willingness to provide facility space and the outstanding support of your staff, particularly Vanessa Waters, City Clerk, and David Jones, caretaker, enhanced the public's experience and their opportunity to participate in our environmental review process. We expect that the environmental portion of the early site permit review will involve another public meeting late next winter or early next spring and look forward to your support and the opportunity to work with you and your staff again.

Sincerely,

/RA/

James H. Wilson, Senior Project Manager
License Renewal and Environmental Impacts
Division of Regulatory Improvement Programs
Office of Nuclear Reactor Regulation
