Re: Private Fuel Storage - Docket No. 72-22-ASLBP No. 97-732-02

Dear Mr. Julian:

Today, Private Fuel Storage, L.L.C. is filing with the Atomic Safety and Licensing Board Applicant's Response to State of Utah's Request for Admission of Late-Filed Contention Utah TT. The NRC Staff has determined that PFS's aircraft crash consequences analyses contain Safeguards Information. Accordingly, because some information in PFS's contention response is related to PFS's aircraft crash consequences analyses, PFS has marked the document as Safeguards Information and is filing it in accordance with the procedures for handling Safeguards Information.

If you have any questions, please contact me at (202) 663-8429.

Sincerely,

D. Sean Barnett
