Washington, DC 20001

Dear Dr. Pastina:

This letter confirms that the data-gathering session of the meeting of the National Research Council Committee on Safety and Security of Commercial Nuclear Spent Fuel Storage scheduled for February 13, 2004, from 9:00 am to 12:00 noon to be held at the Keck Center, 500 5<sup>th</sup> Street, Washington, DC, will expose National Research Council committee members, staff, and agents of the institution to national security classified information within the meaning of 5 U.S.C. § 552 (b)(1). Furthermore, because of the anticipated informal and interactive nature of the foregoing session, it is not feasible to predict in advance all those portions of the session during which classified information will be disclosed. Although we understand the National Research Council's desire to conduct the meetings of this committee in as open a manner as possible, the above-referenced data-gathering session of the committee must be held as not open to the public to protect classified information.

Sincerely,
