CONVERSATION					
SUBJECT Stephen Reidels Paper on The Saddle Mtns. 11/83					
SUMMARY <p>D. Chung agreed to a written review of the subject document. I explained that I had just finished discussing the review with M. Blackford, the new Project Manager for NRC FIN A-0294. Blackford has approved the review and requested this telecon.</p> <p>The subject document is to be reviewed for its implications on the folds near the proposed repository location. The focus of the review will be the question of the typicality of the Saddle Mtns. fold with respect to the entire Yakima (fold and or thrust fault) belt.</p>
