Purpose Of Telecon
To clarify intent of 10 CFR 60 regarding assessment of natural resource potential

Text Of Telecon

Bob called to relay additional clarification concerning the intent of 10 CFR 60 regarding assessment of natural resource potential for a repository site. The controlled area, as defined in the rule, was discussed as the size of the area which could serve as a basis for comparative studies. Also discussed was the availability of magnetotelluric data for the Pasco Basin and region.
