Dear Dr. Wright:

NRC REQUEST FOR BWIP SCR REFERENCES (SCR-17)

Your letter of March 18, 1983, states that 26 of the 189 references requested in your letter of November 24, 1982, were not received with my transmittal letter of February 18, 1983.

Per discussions held on March 24, 1983, with Nancy Still, NRC, and Betty King and Cathryn Shepard, Rockwell Basalt Project, the enclosure describes the current status of the 26 documents. The NRC numbers identified are consistent with the numbers used in the enclosure to my February 18 transmittal.

If you have any questions covering the enclosure, please call D. J. Squires.

Very truly yours,

R.P. Saget for
