MEMORANDUM FOR: David Squires, DOE, Richland
 FROM: Robert J. Wright, NRC, Washington, DC
 SUBJECT: QUESTIONS ON BWIP SCR

Requestor: Cook Date: 1/25/83

1. Is the NWTs-34 (draft) "Program Plan for the Development and Testing of NWTs Waste Package Materials," Volumes I and II, (November 1981) invoked by the SCR as the test plan which the BWIP intends to use? We see that the method of designing statistical tests (SCR page 15.3-53) is invoked, but this subject represents only a small portion of the content of NWTs-34.
2. If NWTs-34 is not to be used in its entity, what portions (by section number) does the BWIP intend to follow?

ORIGINAL SIGNED BY

Robert J. Wright, NRC, Washington, DC
