Subject: ANO Fire Protection Backfit Panel

Based on the poll taken, the RIV ANO Backfit Panel will take place this Friday, October 26, 2001, in the Executive Conference Room at 3:00 p.m. EST, 2:00 p.m. CST. For headquarters participants, the bridge number is 301-231-5539, passcode [REDACTED]. Since we have ordered only four lines, we encourage headquarters participants if possible, to meet together for the call. I have attached five documents for your review prior to the panel. You will need to open the fifth document using Adobe Acrobat since it is a .pdf file. Also, you may want to review the backfit rule, 10 CFR 50.109. If I have missed anyone in this e-mail, please pass it on to them. If you have any questions, or if you will be unable to attend, please contact me. Thank you in advance for your participation.
