Margie, I have been checking in periodically with Bill Reckley, and hopefully he will be attending a meeting tomorrow morning on this subject. I believe this covers it... we just need to make sure we're all on the same path regarding the types of information being protected.

 Mindy,

In the forwarded email, we were requested to keep you better informed about our decisions on release of information. One suggestion was to cc you on all of our emails approving the release of information. We review a lot of documents (I reviewed 112 yesterday). I'm not sure what that would accomplish except flooding your inbox.

Please let me know if you have recommendations for us to improve our communication.

Margie
