Subject: Meeting this Thursday on Release of Information

I have scheduled a meeting this **Thursday, February 7, from 9-10 a.m., in Room O-16B6** on the Release of Information to the Public. At this meeting, I would like to focus on the broader issue of precisely what information to include in the memo going back to the Commission. We will review the definition of SHSI provided by Dick Rosano, Wayne Burnside and Fritz Sturz and decide on other general information to include in the paper. We will also review the revised criteria incorporating Commission comments. Again, the meeting room is not large, so please limit to folks that need to be included in these broader policy discussions. thanks.

Mindy
