Dear Mr. Linehan:

SUBJECT: NOTIFICATION OF CHANGE IN SRPO POINT OF CONTACT

Reference: Agreement between the Department of Energy's Office of Geologic Repositories Projects (BWIP, NNWSI, SRP, CRP) and the Nuclear Regulatory Commission's Division of Waste Management during the site investigation and characterization programs and prior to the submittal of an application for authorization to construct a repository. (September, 1984)

This letter is to notify you of a change in the SRPO point of contact for hydrology from Leo Page to Gordon Appel. This notification is being made as we agreed in the reference agreement (commonly referred to as the NRC/DOE site-specific procedural agreement). An updated table of points of contact, amongst NRC, SRPO, and DOE-HQ is enclosed for ease of reference.

Sincerely,

for J.O. Neff
