Dear Mr. Linehan:

SUBJECT: ADDITIONAL REFERENCES TO THE STRATEGIC PETROLEUM RESERVE PROGRAM

In our letter to you dated June 27, 1985, we provided a bibliography of reports detailing studies of salt domes for the Strategic Petroleum Reserve Program, and of Tatum Dome for Project Dribble. A further examination of our files has identified several additional references which are attached for your information. As before, please let us know if you require copies of any of the listed documents.

Sincerely,

J.O. Neff
