Dear Mr. Russell:

At the request of Mr. James Joyner I am submitting this letter on behalf of Metreal, Inc. in response to the request for information by the NRC in a letter dated April 20, 1988 regarding license nos. 37-00030-02 and 37-00030-08. This information is being provided to you without waiving any rights or defenses which our clients may have in any subsequent proceedings which may be initiated by the NRC or any other state or federal agency.

Please be advised that Metreal, Inc. is not a licensee, nor does it conduct active operations at the Bloomsburg site. Metreal, Inc. is a Pennsylvania corporation the stock of which is owned by Messrs. John T. Miller and C. Richter White, President and Vice President, respectively. Metreal, Inc. owns approximately sixty (60) percent of the property at the Bloomsburg site which is subject to license no. 37-0030-02.

As you know, we have already submitted detailed responses on behalf of Safety Light Corporation and USR Industries, Inc. to the NRC request for information dated April 20, 1988, which are incorporated by reference as though fully set forth herein. Should you require any further information about Metreal, Inc., please do not hesitate to call me or Michael O'Donoghue at (215) 272-8400.

Sincerely,

Geoffrey L. Beauchamp 116850
