Mr. David Squires
U.S. Department of Energy
Richland Operations Office
P. O. Box 550
Richland, WA 99352

Dear Mr. Squires:

Enclosed, for transmittal to Dr. Ernest Moore of RHO, is a copy of "Corrosion of Cast Iron and Low Carbon Steel Nuclear Waste Containers in a Basalt Repository" by Elizabeth E. Hall.

Please note that this a draft copy of a report that is intended to be issued as a NUREG. The report is in preliminary form and has not been completely reviewed or edited by the NRC.

Sincerely,

"ORIGINAL SIGNED BY"

Robert J. Wright,
High-Level Waste Technical
Development Branch
Division of Waste Management

Enclosure:
As stated

cc: Ralph Stein, DOE HQ

bcc: Robert Cook
Michael McNeil
