Dear Dr. Huntoon:

Thank you for your final report submitted: "Geohydrologic and Tectonic Evaluation of the Proposed Davis Canyon High Level Nuclear Waste Repository, Paradox Basin, Southeastern Utah". Our staff have been given the report and the information will be incorporated into any future review that NRC may undertake regarding the Davis of Lavender Canyon sites.

We appreciate your invitation to have one of our staff accompany you on your site investigation. Unfortunately, due to time and travel constraints, we are unable to make such a trip at this time. We do, however, urge you to keep us informed as to the progress of your investigation.

Sincerely,

John J. Linehan, Section Leader
