Chief, Rules and Directives Branch
Division of Administrative Services
US NRC
Washington, DC 20555-0001

Chief, Rules and Directives Branch:

There MUST BE INCREASE-OF SAFETY RULES AND REGULATIONS GOVERNING
NUCLEAR FACILITIES not relaxation! Our nation must take no
chances of a 3-mile Island, or worse scenario!

Solar, wind and other environmentally safe energy sources should
be pursued so thought need of nuclear facilities will be
eradicated. Current health and well-being of the populus and
that of future generations must not be endangered!

Sincerely yours,

June Granger
Connie J. Granger
Natasha Granger
