Mr. John J. Linehan
Section Leader, Salt Section
Repository Projects Branch
Division of Waste Management, MS 623-SS
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Linehan:

Enclosed for your information are monthly reports of the activities of Mr. Don Clark, who is the Salt Repository Project representative in the Federal Republic of Germany. He is stationed in Braunschweig at the Company for Radiation and Environmental Research/Institute for Underground Storage (GSF/IfT), which is relatively close to the Asse Mine, the Konrad Mine, and the Gorleben potential repository site. These reports cover February and March, 1987.

Please let me know if you have questions about the enclosed material.

Sincerely,

J.O. Neff
Project Manager
Salt Repository Project Office
