Subject: FW: DFP Cost Estimate - Docket 40-6940

Elaine;

I received Tim's approval on the attached final DFP Cost Estimate and am forwarding it for your review prior to EIE submittal. One additional change will be made so that the site map in Appendix A shows an outline of the areas where soil excavation was included in the estimate. I will forward the final piece, the license application, after Tim reviews it. Regards,

-Bob
