Dear Mr. Miller:

SUBJECT: NRC REVIEW OF ONWI-479

Reference: ONWI-479, Selection and Durability of Seal Materials for a Bedded Salt Repository: Preliminary Studies

Due to the importance of seals to long-term containment of radionuclides in a repository, we are particularly interested in your comments on our preliminary studies as reported in ONWI-479. Please write to let us know when you will supply your comments from the NRC perspective.

Sincerely,

J. O. Neff
Program Manager
