WASHINGTON, D. C. 20555

MEMORANDUM FOR: Robert E. Browning, Director
Division of Waste Management

FROM: Tilak R. Verma, Senior On-Site
Licensing Representative
Salt Repository Project Office

SUBJECT: SRP SITE REPORT FOR THE WEEK
OF JUNE 18, 1984

WM DOCKET CONTROL
CENTER

1. Matrix Management Workshop in Bethesda was useful; however, it is of somewhat limited application to my functional responsibilities as a senior on-site licensing representative. The examples that were used do not relate directly or indirectly to my responsibilities and interactions with the staff from the WMPC, WMRP, WMTG and WMEG branches.
2. Presentations to and discussions with the Salt Repository Project management and technical team were very useful. The other two on-site licensing representatives also made comments during the discussion of my observations and assessment of the salt repository program.
3. Meeting with Browning, Johnson, and Linehan was also quite useful. I appreciate the comments and criticisms expressed by Linehan; I will use these comments and criticisms in enhancing my effectiveness in carrying out my responsibilities as an on-site licensing representative.
