Re: Unertl Optical Company, Inc.

Dear Dr. Jankovich:

On behalf of the Unertl Optical Company, Inc. I wish to extend my appreciation for your professionalism and the dedication you exhibited during Unertl's application process for an NRC license. While the road was long and arduous, your availability and willingness to answer questions made the journey more palatable. Having dealt with many government agencies and departments, I am not sure if you understand just how unique your approach is. It was truly appreciated.

Again, thank you for all your efforts.

Very truly yours,
