MEMORANDUM FOR: Malcolm R. Knapp, Section Leader
Performance Appraisal Section
High-Level Waste Licensing Management Branch

FROM: Ellen J. Quinn
High-Level Waste Licensing Management Branch

SUBJECT: COMPARISON OF MODEL STUDIES

Attached please find a copy of the updated "Comparison of Model Studies: The Hanford Reservation." This document has been rewritten to reflect the concerns of the technical reviewers. Dr. Williams (Williams-Robinette Inc.) provided extensive comments which were particularly useful. Despite the revisions the principal conclusions of the document remain unchanged.

The areas of model difference between Battelle PHL and Rockwell have been identified correctly.

This report satisfies operating plan commitment 311445.
