

RI with

Agenda for Visit

Entergy Corporation Participants:

Michael Kansler, President, Northeast Region
Fred Decimo, Site Vice President
Randy Edington, Vice President, Operations Support

Discussion Topics:

Force on Force Exercise
Focused discussion of Emergency Preparedness and Security Issues

July 28, 2003

- Early afternoon - Arrive onsite
- 1500-1700 - Participate in site tour
- After 1700 - Available to meet with site VIPs (proposed attendees: M. Kansler, F. Decimo, R. Edington arrangements being finalized)

July 29, 2003

- 0830-1000 - Observe live-fire/tower demonstration
- 1000-1430 - Tour of the area surrounding IP (The Chairman has requested that Region I personnel show him the area surrounding IP. He is interested in seeing locations of schools, hospitals; and other significant facilities noted in the site emergency plan as well as gaining an appreciation for the highway system near the plant.)
- 1430-1500 - Observe table top drills
- 1500-TBD - Observe preparation for the 1st FOF exercise, exercise, and attend critique

July 30, 2003

- AM - Return to NRC HQ
